2009 Perfect Survey

The Mass Department of Public Health survey ended July 20th and rated South Cove Manor deficiency free with a perfect score. This makes it 15 perfect surveys out of 17 years here at the Home. Although we are in the midst of financial hardship for healthcare industry, SCM has not compromised care to its residents. SCM continues to provide the highest quality of care possible. This would not be possible without the hard work and dedication of the SCM staff. Thank you!
